APPENDIX F-265

SUPPRESSED STATUS TRANSACTIONS LIST

1. PURPOSE

To provide a list, with accompanying transactions, of Status documents, DICs AE_, AS_, or AU_, that could not be transmitted. This list includes status documents that contain an invalid or blank Distribution Code in position 54 or that do not have an address recorded in the SAMMS Combined Address File (SCAF).

2. ORIGIN

This listing is output as a result of processing data output from the SAMM System.

3. FREQUENCY

Produced as required.

4. FORMAT

- a. Heading Line (Standard Identification).
- b. Data Organization:
 - (1) Sequence:
 - (a) Major: Sequence is by Julian Day.
 - (b) Minor: Sequence is by Time.
 - (2) Number of Lines per Page: Variable.
 - (3) Spacing: Single-spaced.
 - (4) Page Break: On change of day/time or overflow.
 - (5) Required Totals: None.
 - c. Captions of Data Elements:
- (1) RECORD POSITIONS 01-80 Reflects the 80-position format of the document. Formats of the documents reflected are described in the applicable B-appendix indicated by the DIC in pos. 1-3.
- (2) REJECT OR SPECIAL HANDLING MESSAGES Will reflect constant message of INVALID DISTRIBUTION CD or NO CODED ADDRESS FOUND.
- (3) DAY Indicates three position numeric Julian day the document was produced.

(4) TIME - Indicates four position numeric ZULU time the document was produced.

5. DISTRIBUTION AND RETENTION

Two copies to Administrative Services Branch, Logistics Program Division (LPD), Directorate of Supply Operations (DSO). This listing may be destroyed upon completion of all required actions.

6. PROCEDURES FOR REVIEW AND PROCESSING

- a. Processing personnel will receive the listing and accompanying transaction as required. Actions taken will be based upon the in-the-clear error message reflected.
- b. The in-the-clear message NO CODED ADDRESS FOUND indicates the address of the intended recipient is not recorded in the SCAF. This message will be reflected if the Status Document, DIC AE_, contains Status Code BF.
- (1) Normally the status recipient can be determined by the third position of the DIC. If the third position is a 1, status is provided to the requisitioner identified in pos. 30-35. If the third position is a 2, status is provided to the Supplementary Address identified in pos. 45-50. If the third position is a 3, status is provided to the recipient indicated by the Service Code in pos. 30 and the Distribution Code in pos. 54. These codes are identified in appendices A-5 and A-10 respectively.
- (2) Contact DAASO to obtain an in-the-clear address for the appropriate activity. If DASSO can not identify the activity, disregard the status document.
- (3) Convert status documents containing Issue Priority Designator (IPD) 01-08 to an administrative teletype and forward for transmission in accordance with current procedures.
- (4) For status documents with other than IPDs of 01-08, forward the documents by mail in accordance with current mail procedures.
- (5) Update the DoDAAD with the information furnished by DAASO using DIC TA1 in the format described in appendix B-133. Additional processing instructions are described in appendix E-133 P.
- c. The in-the-clear message INVALID DISTRIBUTION CD indicates the Status Document, DIC AE3, AS3, or AU3 contains an invalid or blank Distribution Code in pos. 54. If the correct Distribution Code cannot be determined, disregard the status document.
